

# Bio-Med

- Lively discussion led by Bob Reynolds and Jay Sanders
- Insight into joint funding opportunities with bio-med community
- Discussion of strategies to move forward
  - Traditional involvement hasn't been successful
  - Need an 'out of box' approach
  - Develop a investment strategy
  - We volunteered a team to help develop the new approach

# SCOOP - IT

- Phil & Don provided a summary of status of common interests between SCOOP & IT
- Chicken & Egg discussion about how to get started with a common agenda
- First step
  - work on a long range plan
  - take advantage of immediate opportunities
- Also improve sharing of information and continued face-to-face dialogue
- Expand the interaction to bring additional expertise into the process
