

Certificate of Appreciation to

Thomas Clegg

from the

Southeastern Universities Research Association

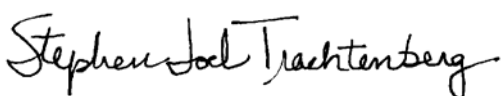

Whereas, Thomas Clegg, V. Lee Bounds Professor of Physics at the University of North Carolina at Chapel Hill, has served for twenty-five years as the Southeastern Universities Research Association (SURA) Trustee from UNC-CH, 1980 through 2004; and

Whereas, Dr. Clegg is the longest serving Trustee in SURA's history; and

Whereas, Dr. Clegg has been a member of the SURA Executive Committee and has served in key roles for the entire period of that membership; and

Whereas, Dr. Clegg has served with distinction as Chair of the SURA Board of Trustees for one term, 1992 and 1993.

Now therefore be it resolved, that SURA offer this certificate as a token of its esteem and gratitude for the long and devoted service of Thomas Clegg to the Southeastern Universities Research Association and its members.
